PEOPLE HELPING PEOPLE™

2024 GIVING GUIDE

For 40 years, the State Employees Combined Campaign (SECC) has provided a convenient, efficient, and trusted way to give to causes important to our local communities, state, and world. **More than 750 charities were vetted and meet standards of accountability for giving in 2024.** Thank you for helping us continue to make a difference.

Thank you to Dr. Anthony Vann, Chief Financial Officer, Department of Adult Correction and S. Briles Johson, Executive Director, NC Commission on Volunteerism and Community Service with the Office of the Governor for your leadership and support as our 2024 Campaign Co-Chairs.

Laura Baker
Director, SECC

EarthShare North Carolina is honored to join Laura, Anthony, Briles and the many volunteers as the managing partner of the SECC. EarthShare NC is a coalition of local, state, and national nonprofits working for the health and wellbeing of our state and people by protecting the natural environment on which we all depend. We are here to help you find your cause, share your stories, and make a difference together.

Heather Beard
Executive Director, EarthShare NC

CHARITY GIVING GUIDE FACTS & QUESTIONS

Who can contribute?

All state employees and retirees are eligible to participate. If you are not eligible for payroll deduction you may give by cash, check, credit card, or stock transfer gift. Payroll deduction minimum is only \$3 per month. **Less than \$1 a week to support your favorite charity!**

Are my contributions tax-deductible?

Yes. Keep a copy of your pledge form or print your ePledge confirmation email. You may need additional documentation to support your contribution depending on the amount you pledge. Consult your accountant or tax advisor for more information.

What is the duration of my payroll deduction and when does it begin?

Deductions begin January 2025 through December 2025.

What happens to my contribution if I don't designate a specific charity?

The SECC's rules specify that all undesignated gifts be proportionately distributed to those charities receiving designations. For example, if Charity A receives 5% of designated pledges, then Charity A will also receive 5% of undesignated pledges.

Is there a minimum donation to designate a charity?

Yes. The minimum donation to designate your gift to a charity is \$10. If you donate less, your contribution will be undesignated.

How is my personal information shared?

Only the information you provide (name, email and/or address and amount pledged) is shared with your designated charity or charities. You may remain anonymous (opt-out) by checking the box found on the pledge card or ePledge site.

What is the administration cost of the campaign?

The SECC's low administrative cost (13% of the prior year's campaign) is a lower percentage than most charities spend on fundraising and administrative costs themselves.

For additional information on your favorite charity, try using our service area search function at ncsecc.org!
